PARENTAL ADVISORY

JEFFREY VEREGGE

Jeffrey Veregge, 50, passed away April 12, 2024, after a courageous battle with lupus. A member of the Port Gamble S'Klallam Tribe, Veregge created a style he called "Salish geek," which combined Native American art, graphic design and comic-book heroes. His striking covers on *Red Wolf* and *Heroes Reborn* stood out from everything else on comic shelves. In 2018, The Smithsonian opened Veregge's exhibition "Of Gods and Heroes," which included his epic mural for the Museum of the Native American in New York. His work on comic covers and in public spaces leaves a fantastic legacy that will long be remembered. Our hearts go out to his family and friends.

With his mutant healing factor, enhanced senses, and razor-sharp adamantium claws, this mutant known as **LOGAN** has been sought after and used as a weapon countless times in his long life. Now he serves no man, doing what he does best whenever he sees fit as the **WOLVERINE**. Vampires, using Darkforce energy to blot out the sun, are now free to roam the Earth, terrorizing humanity in a bid for world domination. But if Wolverine can help it!

MARVEL COMICS PRESENTS

WOLVERINE

BLOOD HUNT

Logan has been beset by a series of attacks from increasingly militarized groups of vampires. With the help of **NIGHTGUARD**, his old vampire-hunting ally (who is himself a vampire), Wolverine fought off a unit of vampirized military police, though they made it clear that they were targeting Logan specifically.

After receiving a tip that these militarized vampires were heading to Long Beach, California, Wolverine and Nightguard hit the road to investigate, only to be ambushed by a group of high-tech vampire mercenaries!

Whole world
went pitch-black a
couple days ago

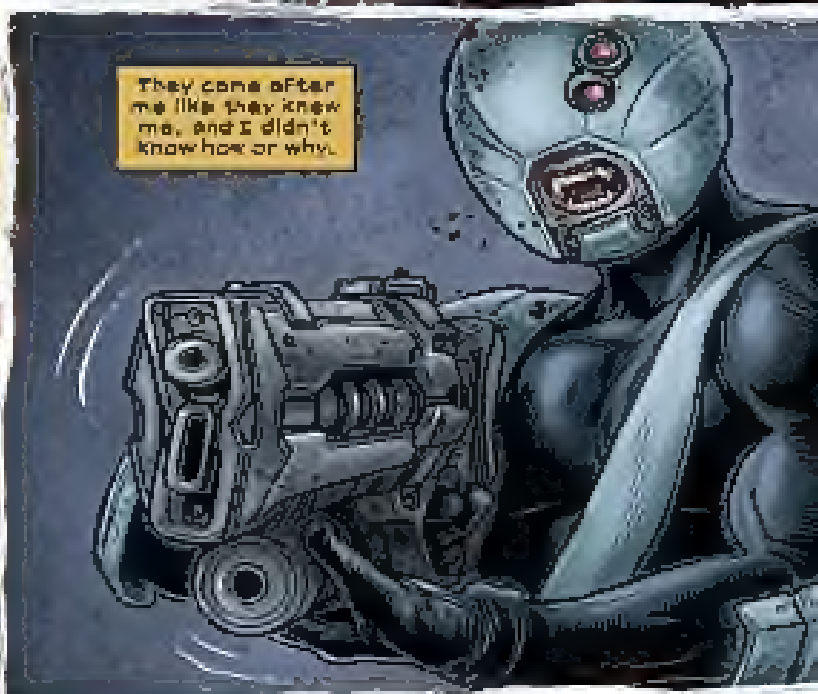

Vampires got control
of a buncha *Parkforce*
users and forced 'em
to turn out the lights.

I've had bloodsuckers
on my 6-4 ever since,
most of 'em soldiers
before they got turned.

They come after
me like they knew
me, and I didn't
know how or why.

Turns out an
elite mercenary
named *Maverick*
sliced 'em on me.

Worst part is,
Mav's an old
soldier pal.

Best
part is...

...he ain't my
only friend in
this fight...

**CALIFORNIA,
JUST NORTH OF LONG BEACH.**

So, this is
how your comrade
in *some* things he'll
bring you to his side,
Logan?

I ain't
so sure he's
still a comrade,
Louise...

...but he's
for damn sure
the world's worst
recruiter.

Louise goes by
nightguard now.

To honor the
ancient holy
order of
vampire hunters
she used to
be part of.

Whole order got
annihilated by the
vamps they hunted.

All dead
except her.

Louise was
burned
instead.

FZZK

ding!

Since then, she's
figured out how to resist
her darker impulses.

I knew right away
the smart move was
bringin' in a vamp
to help me take
down these f---in'
bloodsuckers.

Especially
one packin'
upgraded
firepower.

Only an idiot
brings a knife
to a gunfight.

BUDABUDABUDA

LOOK
OUT!

Excellent
shooting,
men ami.

You ain't
seen *nothing*
yet, darlin'.

Sonnyboy,
it's Logan. Quick
question--

"--anyone in the
Air Force owe
you a favor?"

Give it
up, mutie!

We got
way more bullets
than you can shake
those little paper-
cutters of
yours at.

Loaded
and loaded,
L.T.

Go ahead
and give 'em
some more.
Catcher.

"...guess the mutie
and his girlfriend
haven't had enough
of the big
~~AWNIN~~ gun yet."

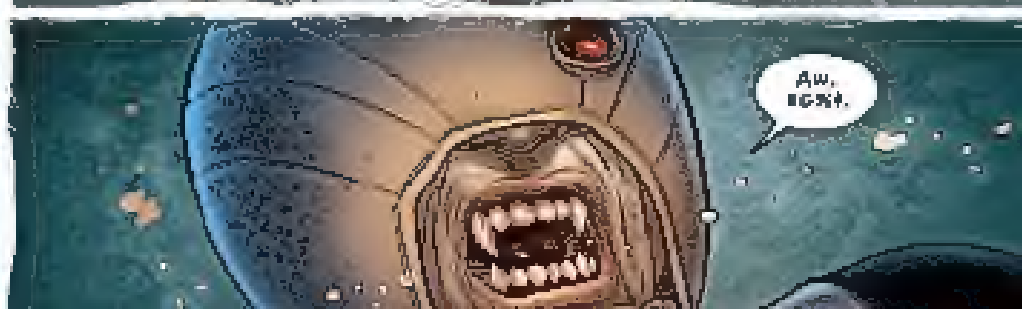

Fifty-
eight...

"...meet the
Reaper."

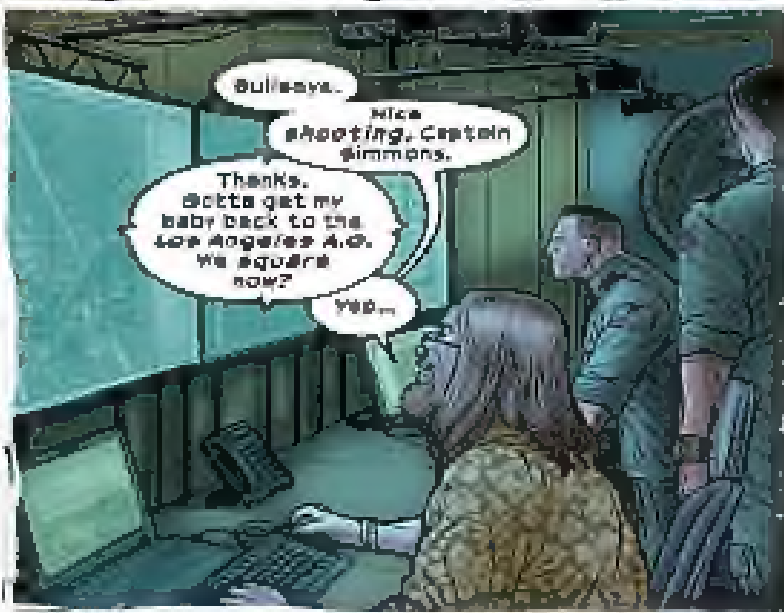

SHOOOSH

SHOOOSH

Aw,
LOX!

Sully says...

Nice shooting, Captain Simmons.

Thanks. Gotta get my baby back to the Los Angeles A.O. We square now?

Yep...

"...and then some."

Okay, package delivered. Logan. Only cost me a gallon. Let's my drone-pilot buddy outta March. And owed me. You're welcome.

And since I'm feeling so giving, OPS is plugging the National Guard vehicles heading the Port of Long Beach now.

Copy that.

One more thing. Word on the wire is the vampire behind all this Parkforce chase...

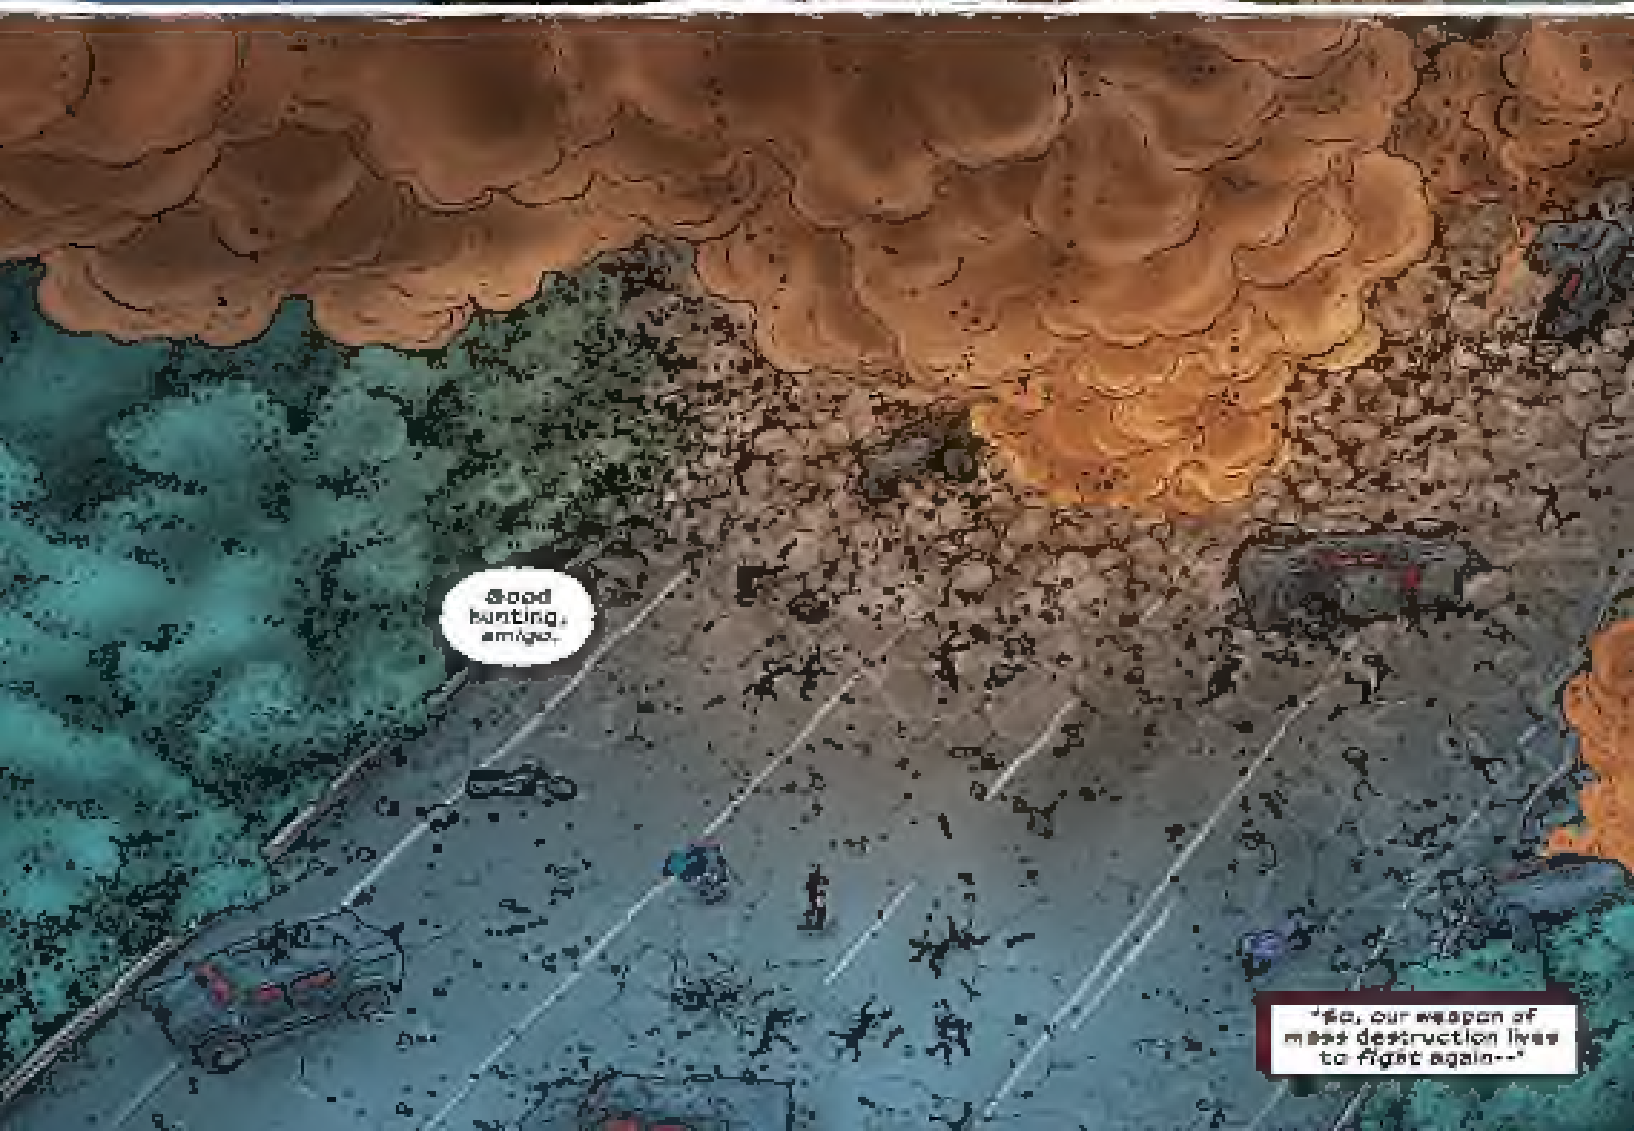

Is Blade.

Not... what?

Hard to stomach, I know, but the intel feels solid.

Anyway, you get moving now, you might still be able to catch that convey in Long Beach.

Good hunting, amigo.

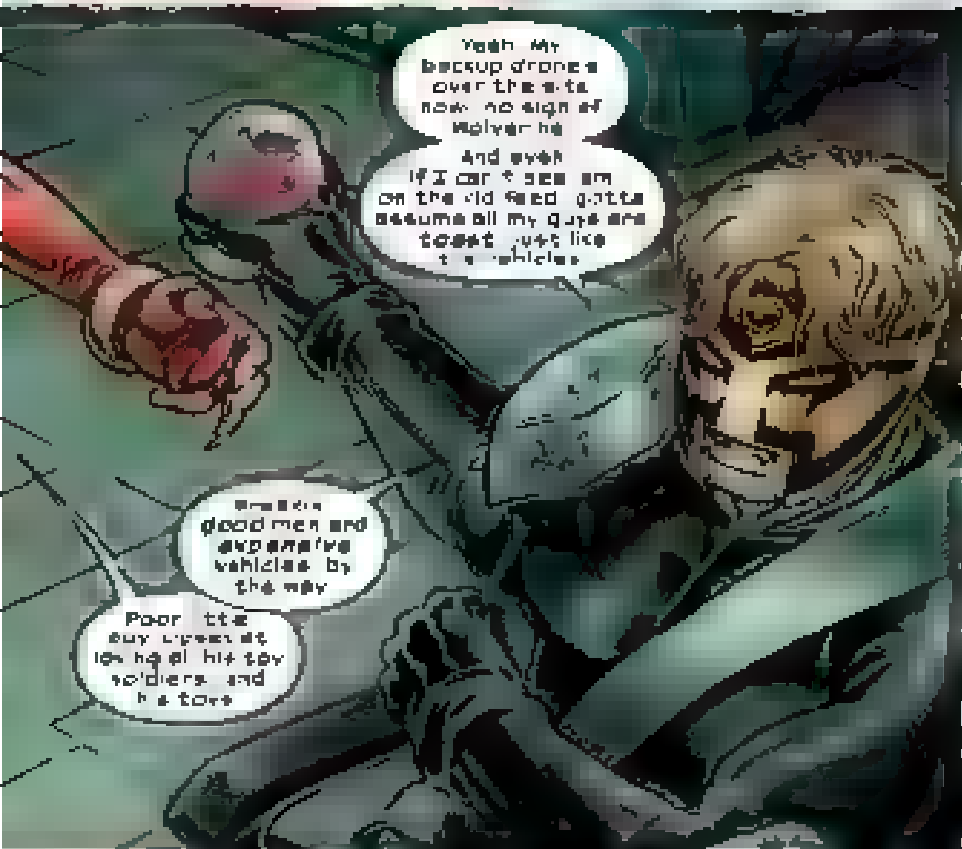

"So, our weapon of mass destruction lives to fight again--"

So clever
and if boom he
is a destructive
k team

And you're
certain he
survived?

Wouldn't be
worth all this
effort to get him
on our team
otherwise

Yeah. My
backup drone
over the site
now. No sign of
Wolverine

And even
if I can't see him
on the vid feed. Gotta
assume all my guys are
lost. Just like
the vehicles

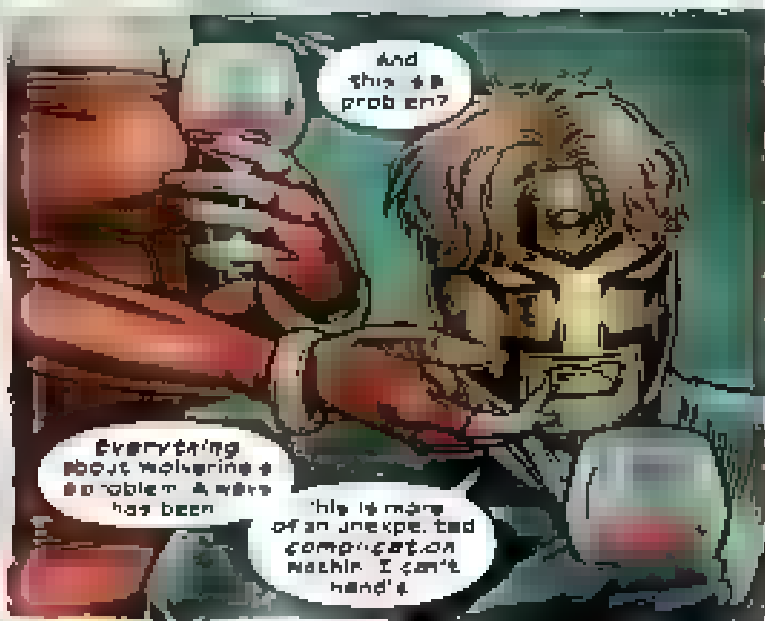

Where are
good men and
expensive
vehicles by
the way

Poor little
boy doesn't
know his toy
soldiers and
his toys

It's not
that much of
a surprise to see him
it was the right
tactical move

But he's
gotta be working
with somebody to
be able to do in an
all strike like that. I'm
guessing it's that big
bad boy from the S.A.
Department

And
this is a
problem?

Everything
about Wolverine is
a problem. A war
has been

This is more
of an unexpected
complication
machine. I can't
handle it

Such
bravado.

I only hope
your actions
match your
words.

should
wolver to make
a choice

Don't
worry about that
Alyssa

I guarantee
he'll see I'm
wolver another

Ah yes,
guarantee
more empty
words

In truth
what you've
brought to the table
is a only terror as
the I read potent
silence I've built
between my inner self
and the other: outer
vampire self

That's not I
wolver to a he on
army of by himself
A stone and a war
that can't be
ended.

Maybe I'd
prefer a second
extra sq makes sense
and join us along the
other side I see in
place as do the task
from time

You're not
giving attention
Haven't

I'll not
doubt not
to

When I see
and have one
are debated after
the I'll be
so called eyes heres
standing in their way
I'll be our turn
to be out of the
and one and
or less

We stand
at the peak place
of a vampire
world and I fully
intend to make it
better

And if you
are to be my king you
will make good on our
plan to have your hair
little in fact I'll see me a really
growing on the head
drunked get there to
our throne

Is that
understood,
darling?

Yes yes
Totally yes yes yes
as good as pure
bats

I won't
let you
down

PORT OF LONG BEACH.

Looks like
Bonghe's into
the boat on

Bonghe
May & me
led n up t ship
with a kinds of gear
and weapons
Civilians too

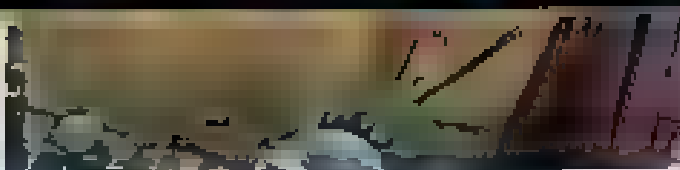

What answers
the question of
where the people
not be seen
disappeared to.

They aren't
buried?

NO YOUR
fancy head with
a nose like an old
human. They've been
herded on board the
cattle to the
slaughter

"See out side. MB

Whole thing
looks like a very
supply run. Weapons
bullets and bandages
minus the bandages for
these kinds of thing
fracks

NO
OFFERS

None
taken

A. Right
you had to go
break up this little
boat party
nightquard?

I.

Oh.
I be lewa
so.

That don't
sound too
convincing,
darlin'

What a
cater at you,
Louise?

You been
actin' weird ever
since we set that
bonfire on the
freeway

I am sorry
Lohan. I'm not
the news about Blade
being the cause of
a. this has shaken
me a bit

The Daywalker
would have an
inspiration for me
during the years I
spent hunting vampires
for m. order. Even
more so after I
was turned

If even
he can be
corrupted what
hope do I

Wo. Stop
right the d. s
min't about to
hear that
noise.

I've been
in the trenches
scrapin' next to Blade.
enough to know that
whatever's goin' on
with him ain't passin'
the smell test

Some
good for
Maverick

Look it
don't surprise
me that may a flyin'
to turn the stakin'
mess to his advantage.
but not for some
kinda power trip
Re he said

Makin'
sticks of
money's always
been the
thing

I'm tellin'
you somethin'
ain't right about
any of this. here
or in New York

And if we
do die over
your friend's
doing this of
his own free
will?

Then me
and you got
an obligetion
to do what we
do best

now
get those
fancy vamp re-killin'
gadgets of yours
ready

SNIKT

" we got work to do."

Get your asses moving

We don't get at night so get to Santa Cruz

Then again maybe we do.

Kah.

SPLAK

What the ?

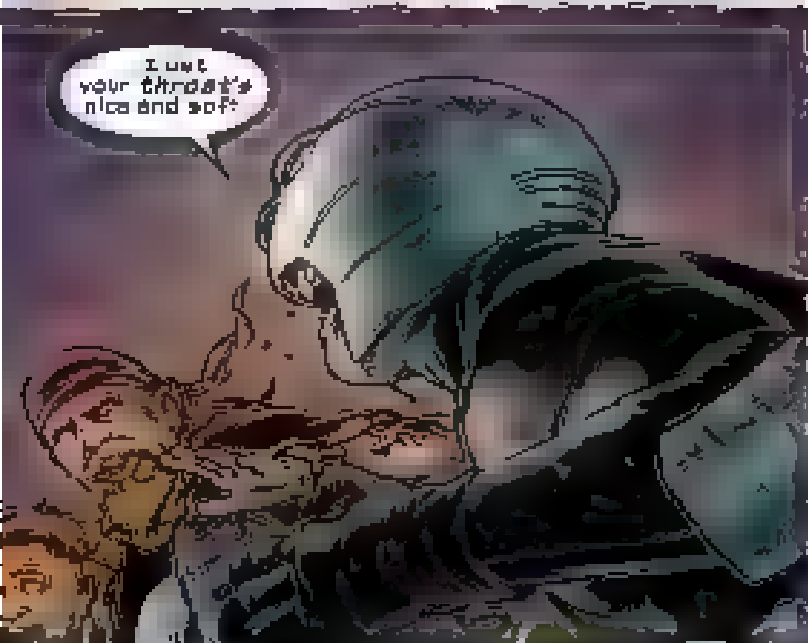

You just spit on me. old man?

Tough one huh?

Even so.

Mighta What you gonna do about it vamp scum?

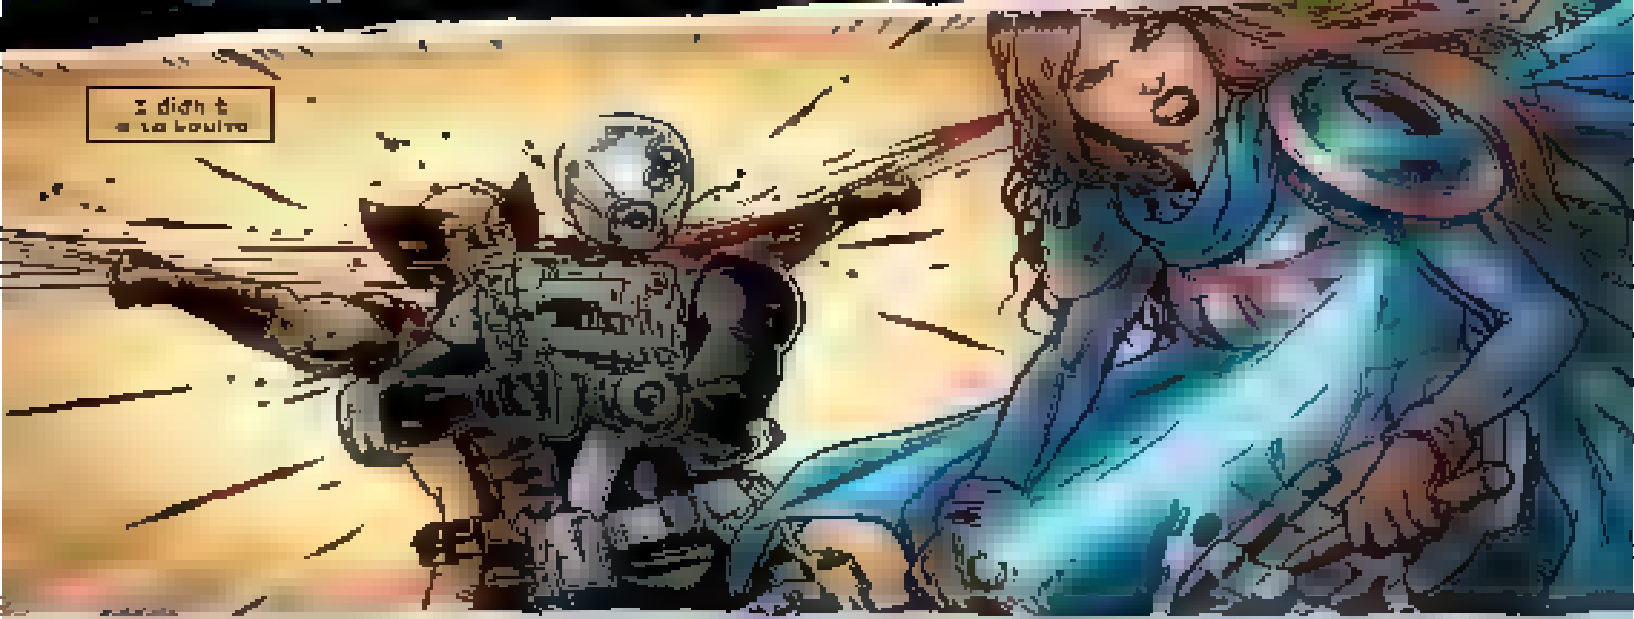

I wet your throat's nice and soft.

SPLAK

I didn't
- to Louisa

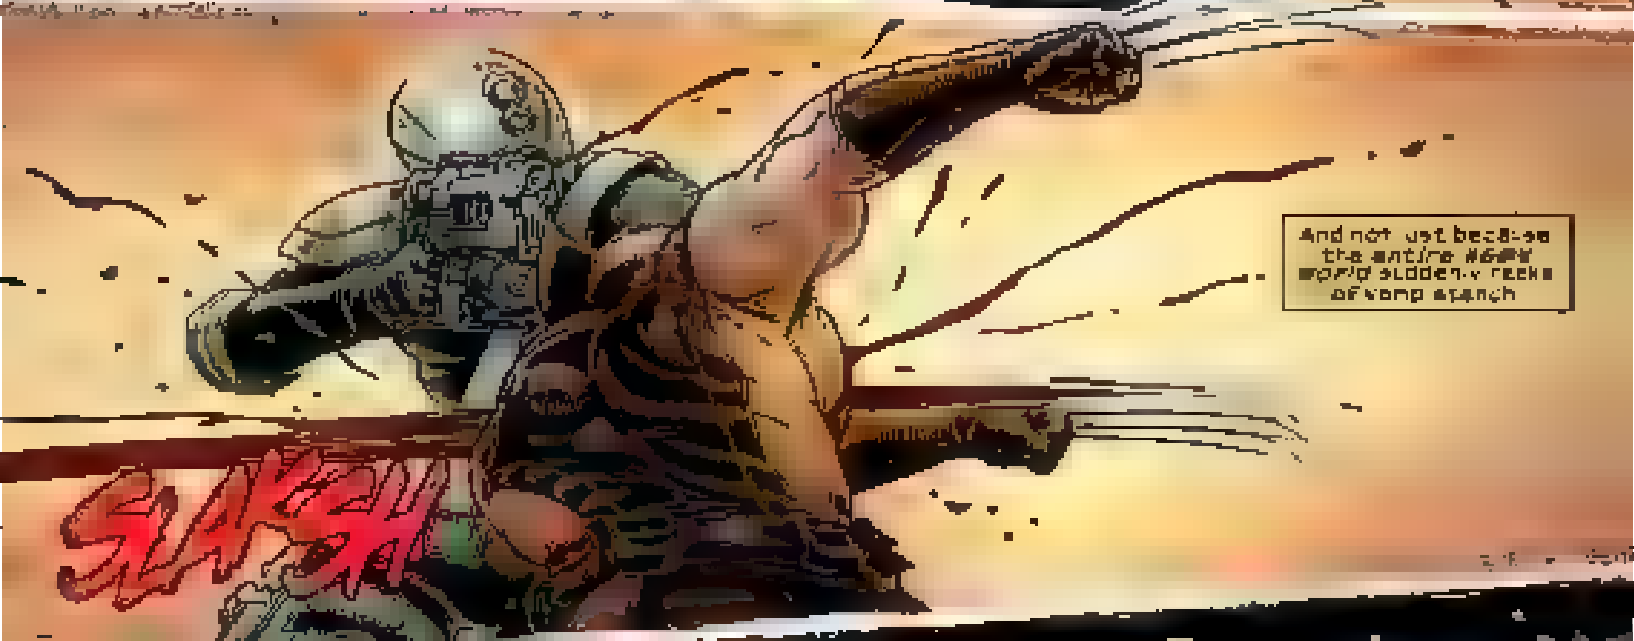

didn't exactly
tell her the
truth either

The whole
thing does
stink

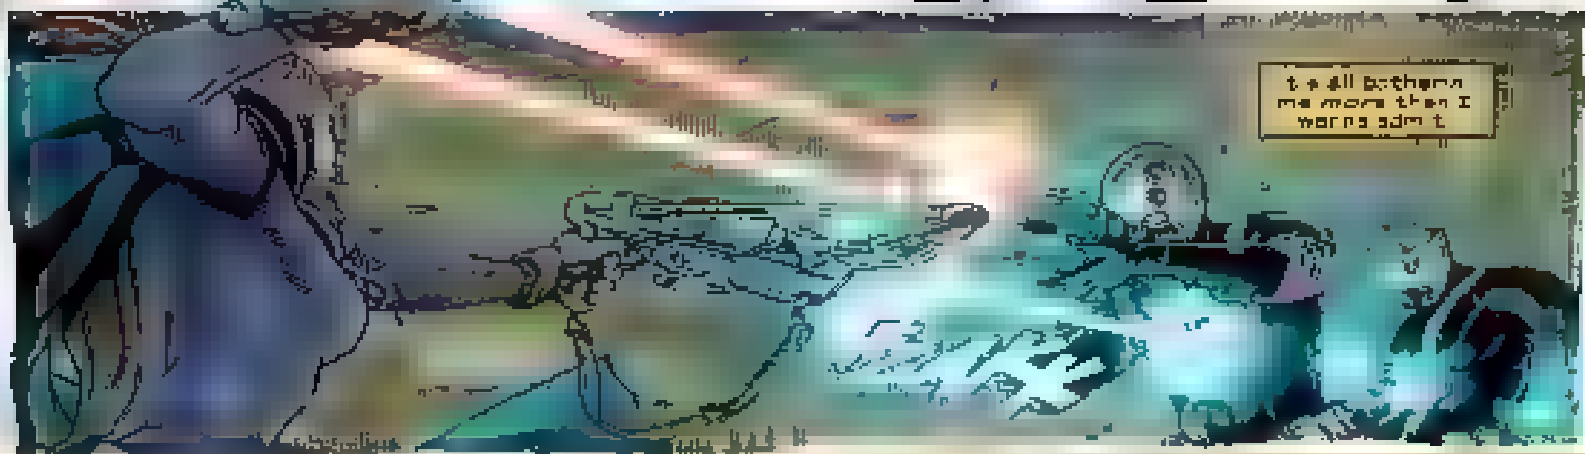

AAAH!

SHINK

And not just because
the entire world
suddenly reeks
of vamp stench

SLASH

It's all better than
me more than I
wanna admit

Carpe even if this
isn't Mavrick's
standard M.O. good
to die & adjust their
life to match the
miss on all the time

YACHI

And Blade wouldn't
be the first good
guy to go bad

A I got a half bruise
and questions right now

UPP!

I want
some questions
answered

SCHWIK

It seems
you've been
stabbed in the
back, man
am.

You
think?

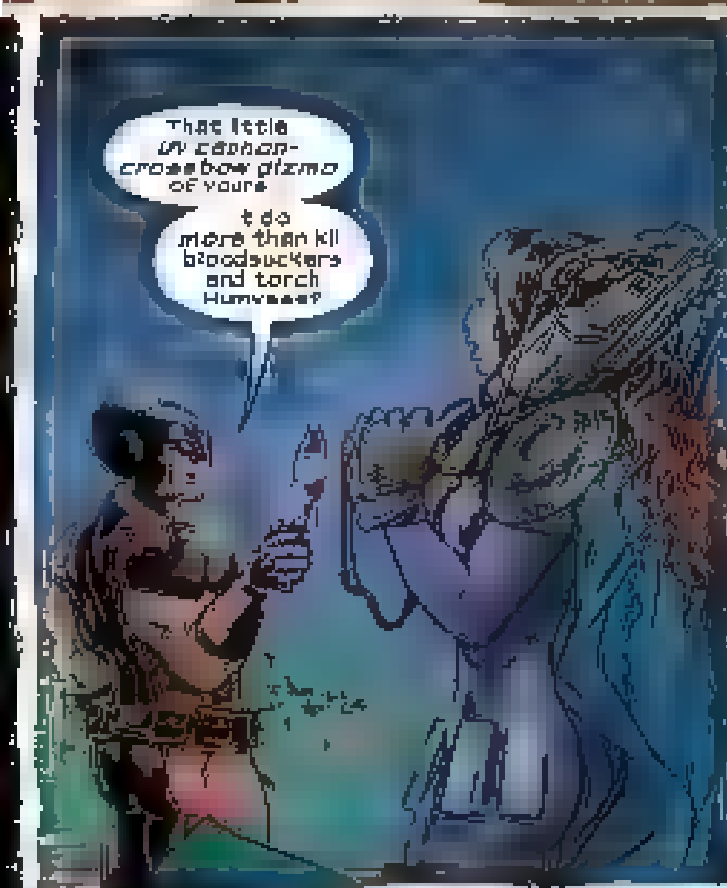

We
gotta
go.

To the
Santa Cruz
location the
soldier spoke
off.

Yeah, it's
just off the
coast in the
channel
lands.

We'll take
the secret
boat.

That little
in cannon-
crossbow gizmo
of yours.

It do
more than kill
bloodsuckers
and torch
humans?

Oh, it
has many
uses.

It's a secret
gizmo.

Good.

It is quite
powerful.

• We're gonna
need power

ZAT

**SANTA CRUZ
ISLAND.**

"How's
it lookin'?"

You
find a way
in yet?

I
believe
so.

There is a large
subterranean
cave in the side
of the island.

A acacia
that would seem
suited to
venomous reptiles?

And Maverick
Guy loves his little
underground sofa
houses.

Looks like
we found our
breach point.

Wait
there's
something in
the water.

Moving
rapidly
toward
us.

I
think
it's.

—vampires.

YOU
GOTTA BE
A ~~WOLFE~~ *WOLFE*!
YES—

SNICK

—We've got
a bloodsucking
NAVY TROOP!
